1.2 The bargaining unit is as defined in presently filed Certification issued by the Florida Public Employees Relations Commission initially certified on June 6, 1978, Certification #408, which includes all the classifications listed in APPENDIX A of the Agreement.

1.3 The City shall promptly notify the UNION in writing of any newly created classifications within the City. The City shall also provide the Union with copies of requests for audits of any bargaining unit positions when they are requested.

## ARTICLE 2

### REPRESENTATION OF THE CITY

**2.1** The City shall be represented by the City Manager, the Director of Human Resources or a person or persons designated in writing to the UNION by the City Manager. The City Manager and the Director of Human Resources or designee shall have sole authority to execute an Agreement on behalf of the City subject to ratification by an official resolution of the City Commission.

**2.2** It is understood that the City Representative or Representatives are the official representatives of the City for the purpose of negotiating with the UNION. Negotiations entered into with persons other than those as defined herein, regardless of their position or association with the City, shall be deemed unauthorized and shall have no weight of authority in committing or in any way obligating the City.

## **ARTICLE 3**

### **REPRESENTATION OF THE UNION**

**3.1** The UNION shall be represented by the President of the UNION, or by a person designated in writing to the City Manager, the Director of Human Resources or designee by the President of the UNION. The identification of representatives shall be made each year at least fifteen (15) calendar days prior to April 1st. Said designation shall be accompanied by an affidavit executed by said President that the UNION has complied with all requirements of State law in effect at that time with respect to registration of the UNION.

**3.2** The President of the UNION, or the person designated by said President, shall have full authority to conclude an agreement on behalf of the UNION subject to ratification. It shall be the responsibility of the UNION to notify the City Manager or the Director of Human Resources in writing of any changes in the designation of the President of the UNION or of any certified representative of the UNION.

**3.3** The UNION may be represented at negotiation sessions by not more than four (4) designated employee representatives. The four (4) employee representatives may be permitted to attend negotiation sessions on duty with no loss of pay or emoluments except that if one of the four (4) employee representatives is the UNION President on full-time release in

### MANAGEMENT RIGHTS

4.1 The City has and will continue to retain, whether exercised or not, the right to operate and manage its affairs in all respects, and the powers and authority not abridged, delegated or modified by the express provisions of this Agreement or in any Memorandum of Understanding(s) (MOU) that is incorporated in this agreement and attached hereto or referred to herein, in addition to any MOU entered into during the term of this agreement. AFSCME, Local 1907 and the City retain the right to bring forth additional MOUs which were entered into by both parties and incorporate them as part of the agreement after notification of the respective party (AFSCME, Local 1907/City Manager or designee) who will confirm the authenticity of the MOUs. Otherwise, any changes of terms and conditions of employment shall not be recognized. Any future MOU that amends the collective bargaining agreement shall be subject to Florida Statute, Chapter 447, Part II.

The parties agree to a sunset provision that begins at the ratification of this labor agreement wherein any MOU that is not included with the labor agreement will be considered null and void.

The rights of the City, through its management officials, shall include, but shall not be limited to, the right to determine the organization of City Government; to determine the purpose of each of its constituent departments; to exercise control and discretion over the organization and operations of the City; to set standards for service to be offered to the public; to direct the employees, including the right to assign work and overtime; to hire, examine, classify, promote, train, transfer, assign, and schedule employees; to change employee's work schedules; to

suspend, demote, discharge, or take other disciplinary action against employees for proper cause; to increase, reduce, change, modify or alter the composition and size of the work force, including the right to permanently or temporarily layoff, furlough or otherwise relieve employees from duties because of lack of work or funds or for other legitimate reasons; to determine the location, methods, means, and personnel by which operations are to be conducted, including the right to determine whether goods or services are to be made or purchased; to establish, modify, combine or abolish positions; to change or eliminate existing methods of operation, equipment or facilities; and to establish rules, regulations and rules of conduct.

With regard to changing employees' work schedules, the City agrees to give the Union and the affected employees at least thirty (30) days written notice of the proposed change and to take into consideration, and make a good faith effort to accommodate, any undue hardship (medical or otherwise) that the schedule change may impose upon the employee. The failure to accommodate such alleged undue hardship shall not be subject to the Grievance procedures, so long as the City complies with State and Federal laws. The City also agrees to convene a Labor Management Meeting with the Union (if the Union so requests in writing) during those thirty days. Further, whenever a change affects a classification that is assigned to work on more than one shift, the City shall allow employees to bid for shifts by classification seniority and shall notify employees of their assigned shifts at least thirty (30) days prior to implementation of the change. Re-bids shall be once every October.

**4.2** The City has the sole authority to determine the purpose and mission of the City, to prepare and submit budgets to be adopted by the City Commission. This shall not prohibit the UNION from expressing its views to the legislative body at the public budget hearing.

**4.3** If the City fails to exercise any one or more of the above functions from time to time, this will not be deemed a waiver of the City's right to exercise any or all of such functions. This provision will in no way alter or diminish the rights afforded by Article 7, Prevailing Benefits.

**4.4** Those inherent managerial functions, prerogatives and policy-making rights which the City has not expressly modified or restricted by a specific provision in this Agreement are not in any way, directly or indirectly, subject to the Grievance Procedure contained in this agreement.

**4.5** Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the City of Miami. Such achievement is recognized to be a mutual obligation of both parties within their respective roles and responsibilities.

**4.6** The City retains the right to establish, and from time to time to amend, rules and regulations not in conflict with this Agreement.

**6.5** The UNION shall not be required to process the grievance of a non-union member.

## ARTICLE 7

**7.3** If the City desires to change such job benefits, the matter shall be negotiated between the City and the UNION in accordance with Chapter 447, Part II, Florida Statutes.

## ARTICLE 8

G. On no more than one occasion per month, the UNION Executive Board members may meet during their scheduled work shift for a period not to exceed four (4) hours. At no time will more than eight (8) employees be released to attend such meetings, and the Time Pool shall be charged a minimum of four (4) hours for each employee who attends such meetings. Release of employees for this purpose shall be conditioned upon compliance with other provisions of this Article.

**8.3** All applicable rules, regulations and orders shall apply to any bargaining unit employees on time pool release. Violations of the above-mentioned rules, regulations and orders shall subject the bargaining unit employees on pool time to regular disciplinary processes.

**8.4** The City reserves the right to rescind the provisions of this Article in the event any portion of the Article is found to be illegal. Cancelling the Article shall not preclude further negotiations of future employee time pool.

**8.5** Except as provided above, bargaining unit employees who attend administrative or judicial hearings shall not be compensated by the City unless such attendance is on behalf of and at the request of the City.

## ARTICLE 9

### UNION STEWARDS

**9.1** Employees within the bargaining unit shall be represented by no more than ten (10) Stewards. The UNION shall furnish the Department of Human Resources a list of the Stewards' and alternate Stewards' names and their assigned steward areas, and shall notify Human Resources of changes to the list within seven (7) work days.

**9.2** When requested by an employee, a steward may only investigate any alleged or actual grievance in his/her assigned steward area. He/She will be allowed reasonable time therefore during working hours without loss of time or pay upon notification and approval of his/her immediate supervisor outside the bargaining unit. Such release time will be granted consistent with the needs of the service but will not unreasonably be withheld.

**9.3** UNION business, other than that cited above, shall be conducted so as not to interfere with the work assignment of stewards or any other employees.

**9.4** A non-employee UNION Representative may consult with employees in assembly areas before the start of each work shift or after the end thereof.

**9.5** Should an employee UNION representative covered by this Agreement be released on the Attendance at Meetings/UNION Time Pool Article said employee may substitute for the steward, but in no event shall the steward and the employee UNION representative both investigate the same grievance or appear for the meeting called to resolve the grievance. Should the UNION President desire the UNION Steward, as described in Section 9.2, to attend a Step 3 grievance meeting, the steward may be released to attend said meeting with any time loss to be charged to the UNION Time Pool.

**9.6** An alternate Steward may be appointed for each steward. The alternate Steward will be utilized by management when management is unable to reach the UNION Steward or the UNION Steward cannot be spared for the assigned duties at the time and all provisions of this Article shall apply to alternate Stewards as well as regular Stewards.

## ARTICLE 10

In the event any non-UNION material is posted on the bulletin board, it shall be promptly removed by a representative of the UNION or by a representative of the City.

## **ARTICLE 13**

### **DUES CHECKOFF**

**13.1** During the term of this Agreement, the City agrees to deduct UNION membership dues and uniform assessments, if any, in an amount established by the UNION and certified in writing by an accredited UNION officer to the City from the pay of those employees in the bargaining unit who individually make such request on a written check off authorization form provided by the City. Such deduction will be made by the City when other payroll deductions are made and will begin with the pay for the first full pay period following receipt of the authorization by the City. The UNION shall advise the City of any uniform assessment or increase in dues in writing at least thirty (30) days prior to its effective date.

**13.2** This Article applies only to the deduction of membership dues and uniform assessments, if any, and shall not apply to the collection of any fines, penalties, or special assessments.

**13.3** Deductions of dues and uniform assessments, if any, shall be remitted by the City during the week following each biweekly pay period to a duly authorized representative as designated in writing by the UNION. The City shall deduct from the remittance an amount for the cost of dues check off. The amount will be calculated at two (\$.02) cents for each employee deduction, each payroll period, and ten (\$.10) cents for each addition or deletion to the check off register.

**13.4** In the event an employee's salary earnings within any pay period, after deductions for withholding, Social Security, retirement, group health insurance, and other priority deductions, are not sufficient to cover dues and any uniform assessments, it will be the

responsibility of the UNION to collect its dues and uniform assessment for that pay period directly from the employee.

**13.5** Deductions for the UNION dues and/or uniform assessment shall continue until either: 1) revoked by the employee by providing the City with thirty (30) days' written notice that he/she is terminating the prior check off authorization, 2) the termination of the authorizing employee, 3) the transfer, promotion, demotion of the authorizing employee out of this bargaining unit, or 4) the revocation or suspension of dues deduction as certified by the duly authorized UNION representative.

**13.6** The UNION shall indemnify and hold the City, its officers, officials, agents and employees harmless against any claim, demand, suit or liability (monetary or otherwise) and for all legal costs arising from any action taken or not taken by the City, its officials, agents and employees in complying with this Article. The UNION shall promptly refund to the City any funds received in accordance with this Article which are in excess of the amount of dues and/or uniform assessments which the City has agreed to deduct.

**13.7** The City will not deduct any UNION fines, penalties or special assessments from the pay of any employee.

**13.8** The dues check off authorization form provided by the City shall be used by employees who wish to initiate dues deduction.

## ARTICLE 14

### GRIEVANCE PROCEDURE

**14.1** It is agreed to and understood by both parties that there shall be a procedure for the resolution of grievances arising from the application or interpretation of this Agreement.

**14.2** A grievance is any dispute, controversy or difference between (a) the parties, (b) the City and an employee or employees on any issues with respect to, on account of, or concerning the meaning, interpretation or application of this Agreement or any terms or provisions thereof. A grievance shall refer to the specific provision or provisions of this Agreement alleged to have been violated. Any grievance not conforming to the provisions of this paragraph or that contains non-identification of specific violations of the Agreement shall be denied and not eligible to advance through the steps of the Grievance Procedure, including arbitration.

**14.3** Nothing in this Article or elsewhere in this Agreement shall be construed to require the UNION to process a grievance (a) on behalf of any employee without his/her consent, or (b) with respect to any matter which is the subject of a grievance, appeal, administrative action before a governmental board or agency, or court proceeding, brought by an individual employee or group of employees, or by the UNION. Oral and written reprimands/warnings/deficiencies shall not be considered grievable under this Agreement or the Civil Service Board.

**14.4** It is further agreed by the UNION that with respect to disciplinary actions, employees covered by this Agreement shall make an exclusive election of remedy prior to filing

a Step 2 or Step 3 Grievance. Such choice of remedy will be made in writing on the form to be supplied by the City.

The Election of Remedy form will indicate whether the aggrieved party or parties wish to utilize the Grievance Procedure contained in this Agreement or process the grievance, appeal or administrative action before a governmental board or agency. Such selection of redress other than through the Grievance Procedure contained herein shall preclude the aggrieved party or parties from utilizing said Grievance Procedure for adjustment of said grievance.

**14.5** The number of "working days" in presenting a grievance and receiving a reply from the different levels of supervision shall be based upon a forty (40) hour, five (5) day work week, Monday through Friday, not including City-wide holidays. Any grievance not processed in accordance with the time limits provided below, shall be considered conclusively abandoned. Any grievance not answered by Management within the time limits provided will automatically advance to the next higher step of the Grievance Procedure. Time limits can only be extended by mutual agreement of the UNION and Department Director or the Director of Human Resources or designee. Such agreed to extensions shall be followed up in writing.

**14.6** Where an employee covered by this Agreement elects to represent himself or be represented by someone other than the UNION, the City will respond through its management representatives consistent with the following steps and time limits. Said response will not be inconsistent with the Labor Agreement and a representative of the UNION will be given an opportunity to be present and receive a copy of the written response.

**14.7** A grievance shall be processed in accordance with the following procedure:

**Step 1.**

The aggrieved employee shall discuss the grievance with his/her immediate supervisor outside the bargaining unit within ten (10) working days of the occurrence which gave rise to the grievance. A City employee UNION representative will be given a reasonable opportunity to be present at any meeting called for the resolution of such grievance. The immediate supervisor, outside the bargaining unit, shall attempt to adjust the matter and/or verbally respond to the employee within ten (10) working days.

Where a grievance is general in nature in that it applies to a number of employees having the same issue to be decided, or if the grievance is directly between the UNION and the City, or when a grievance is filed due to an employee's dismissal, it shall be presented directly at Step 3 of the Grievance Procedure, within the time limits provided for the submission of a grievance in Step 1 by the UNION President. If the grievance relates to a disciplinary action, the Election of Remedy form as provided in Section 14.4 of this Article must be completed and attached to grievances presented directly at Step 3. All grievances must be processed within the time limits herein provided unless extended in writing by mutual agreement between the Director of Human Resources or designee and the UNION President or grieving employees.

**Step 2.**

If the grievance has not been satisfactorily resolved at Step 1, the employee or the UNION representative may pursue the grievance to the second step of the Grievance Procedure. With regard to disciplinary actions, if the aggrieved party or parties elect the remedy other than the Grievance Procedure (Civil Service) contained herein, the grievance shall be withdrawn and conclusively abandoned. The employee or the UNION Representative shall reduce the grievance to writing on the standard form provided for this purpose and present such written grievance

to the Department Director concerned within ten (10) working days from the time the supervisor has given his/her oral response to Step 1. The Department Director or designee and Management personnel concerned shall meet with the employee and the UNION Representative and shall respond in writing to the UNION within ten (10) working days from receipt of the written grievance.

**Step 3.**

If the grievance has not been satisfactorily resolved at Step 2, the employee and/or the UNION President may present a written appeal to the Director of Human Resources or designee within ten (10) working days from the time the Step 2 response was due in Step 2. The Director of Human Resources or designee shall meet with the employee and/or the UNION President and shall respond in writing to the UNION within ten (10) working days from receipt of the appeal.

**Step 4.**

If the Grievance is not settled at Step 3, it may upon written request of the UNION President within ten (10) working days after receipt of reply or answer be referred to arbitration.

**14.8** The arbitration proceeding shall be conducted by an arbitrator selected by the employer and the UNION. The selection process of the arbitrator between the employer and the UNION will take place within twenty (20) days after notice is given. If the parties fail to select an arbitrator, the Federal Mediation and Conciliation Services, or some other mutually agreed upon service, shall be requested to provide a minimum panel of five (5) arbitrators. Both the employer and the UNION shall alternately strike a name from the panel until one remains.

The party requesting arbitration shall strike the first name; the other party shall then strike one name.

**14.9** The arbitration shall be conducted under the rules set forth in this Agreement and under the rules of the American Arbitration Association. Subject to the following, the arbitrator shall have jurisdiction and authority to decide a grievance as defined in this Agreement. The arbitrator shall have no authority to change, amend, add to, subtract from or otherwise alter or supplement this Agreement or any part thereof or any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement, or which is not specifically covered by this Agreement; nor shall this Collective Bargaining Agreement be construed by an arbitrator to supersede applicable laws in existence at the time of signing this Agreement.

**14.10** The arbitrator may not issue declaratory or advisory opinions and shall confine himself/herself exclusively to the question which is presented to him, which question must be actual and existing.

**14.11** The fee and expenses of the arbitrator shall be paid by the party which loses the appeal to arbitration. Each party shall fully bear its own costs regarding witnesses and representation. Should any individual bargaining unit member bring a grievance under this Article on his/her own, he/she shall be required to post a bond of an estimated one-half (1/2) of the expenses of the hearing with the arbitrator before the hearing may be scheduled.

**14.12** Copies of the award of the arbitration made in accordance with the jurisdiction or authority under this Agreement shall be furnished to both parties within thirty (30) days of the hearing and shall be final and binding on both parties.

**14.13** Consistent with Chapter 447.401, the UNION shall not be required to process grievances or be liable for any expenses for employees covered by this Agreement who are not members of the UNION. Where non-members or any employee covered by the Agreement elects not to be represented by the UNION, written responses shall be given to the employee and to the UNION.

**14.14** A request for review of complaints under Civil Service Rule 16.2 may only be made by full-time classified service employees. Such requests under Rule 16.2 shall be denied where the request does not cite the applicable Civil Service Rule(s) which is the basis of the complaint; or, where the issue relates to a matter covered by the Collective Bargaining Agreement. This section shall be limited solely to hearings under Rule 16.

### EMPLOYEES' BILL OF RIGHTS

**15.1** When an employee has reasonable grounds to conclude that his/her participation in an investigatory interview will result in his receipt of disciplinary action, the employee may request that a UNION representative be present at the interview. The employee's representative shall confine his/her role in the interview to advising the employee of his/her rights and assisting in clarification of the facts. Upon request, the City will make a reasonable effort to contact the employee's choice of representative and shall give the representative sufficient time to get to the interview location, but shall not be obligated to delay the interview for more than sixty (60) minutes.

**15.2** Investigatory interviews shall be conducted at a reasonable hour, preferably while the employee is on duty, unless the seriousness of the investigation is of such degree that immediate action is required. If the employee is required to be interviewed outside his assigned work schedule, he/she shall be paid overtime in accordance with Article 27.

**15.3** At the commencement of the interview, the employee shall be advised of the subject matter of the investigation.

**15.4** The parties agree to abide by the law with respect to the use of polygraphs.

## ARTICLE 16

### DISCIPLINARY PROCEDURES

**16.1** In cases where it becomes necessary to discharge or otherwise discipline a permanent, classified employee covered by this Agreement, a representative of management shall give notice of said discipline to the employee. Such notice of discipline shall be confirmed in writing to the employee and the UNION no later than five (5) working days following the day of discharge or imposition of discipline, excluding Saturdays, Sundays, holidays and the day of occurrence.

**16.2** Employees who have not attained permanent status in the classified service, or who are entrance probationary employees, may not grieve disciplinary action under the provisions of this Agreement.

**16.3** If an appeal of any discharge or other disciplinary action, excluding oral or written reprimands, is filed with the Civil Service Board in accordance with the Board Rules and Regulations, such appeal shall be an automatic election of remedy and shall waive any right on the part of the employee or the UNION to file or process a grievance under the terms of this Agreement protesting such discharge or other disciplinary action. Should an employee elect to grieve discharge or other disciplinary action, excluding an oral or written reprimand, such grievance shall be made only in accordance with the terms of the Grievance Procedure Article as contained in this Agreement.

**16.4** Verbal counselings, records of formal counseling, written reprimands and written warnings shall be null and void and shall not be used against the employee after a period of three (3) years.

**16.5** Entrance probationary employees who were appointed to a position but who did not complete the required probationary period may be discharged or demoted any time prior to the expiration of the probationary period. The employee shall not be accorded a hearing before the Civil Service Board or access to the grievance procedure contained herein. A probationary employee who is in probationary status due to a promotion shall be returned to a former classification in which the employee held permanent status. If an employee who is in probationary status due to a promotion is rolled back, he or she may appeal the decision to the Director of Human Resources. Such appeal shall be made within five (5) days' notice of the roll back, in writing, and the decision of the Director will be final.

## ARTICLE 17

### LOSS OF EMPLOYMENT

17.1 Employees shall lose their seniority and their employment shall be terminated for the following reasons:

1. Discharge if not reversed.
2. Resignation. An employee who voluntarily submits a resignation either orally or in writing shall have the right to withdraw said resignation for up to twenty-four (24) hours from submission. If submission occurs on a day preceding a weekend or holiday or the employee's regular day off, the employee shall have to the close of the employee's next regular working day to withdraw said resignation.
3. Abandonment of position. An employee absent for a period of three (3) workdays without notification of valid reason to the City and who has no legitimate reason for not notifying the City of his/her absence, may be considered as having resigned. Said resignation shall only be reviewed, if applicable, by the City Manager or the Director of Human Resources or designee.
4. Unexcused failure to return to work when recalled from layoff, as set forth in the recall procedure.
5. Unexcused failure to return to work after expiration of a formal leave of absence. An employee who fails to return from a formal leave of absence will be considered as having resigned. Said resignation shall only be

reviewed, if applicable, by the City Manager or the Director of Human Resources or designee.

6. Retirement.

7. Layoff for a continuous period of eighteen (18) months.

**17.2** For purposes of Rule 14, any loss of employment due to a department restructuring, department reorganizing, downsizing or abolishment of a position shall be treated the same as a “layoff”.

Permanent employees subject to layoff shall be demoted or transferred to those classes in which the employee held previous status, consistent with Civil Service Rules and Regulations not withstanding Article 24, Section 24.1, Wages.

If the employee has ten (10) years of full-time consecutive classified service with the City and has never held permanent status in another position, the employee may be demoted or transferred by management in accordance with his/her seniority to another position in the bargaining unit that is as close to the employee's present class and wage level as possible and which he/she is able to perform and qualified to fill. The employee must make a written request for such demotion or transfer within three (3) working days after notification of layoff.

Such request shall be made to the Director of Human Resources or designee. Management shall have the right to determine such person's ability and qualifications to fill a position without recourse through the grievance procedure or any other appeals procedure with exception of the following.

Should the individual transferred or demoted feel that the position determined by Management is not the one closest to their previous salary level for which they are qualified,

the employee may appeal within three (3) working days of notice of the new assignment only to a two (2) person committee made up of the Director of Human Resources or designee and the UNION President shall convene a meeting with the Federal Mediation and Conciliation Service Commissioner who shall review the placement and render an advisory decision to the parties.

Employees transferred or demoted under this Section shall replace the least senior employee in the position which he/she occupies. If the employee's regular position subsequently becomes available, consistent with Civil Service Rules and Regulations, he/she shall be promoted and transferred back to his regular position.

It is understood by the UNION and the City that nothing in Section 17.2 guarantees the employee a job nor is the City obligated to create a job, but the City will make a good faith effort to place the individual demoted or laid off consistent with the language of Section 17.2.

## ARTICLE 18

### EMPLOYEE EVALUATION

18.1 Permanent full-time classified employees covered by this Agreement will be evaluated utilizing the appropriate evaluation forms as approved by the Human Resources Department. The evaluation will be provided on the employee's anniversary date.

18.2 Prior to distribution of an evaluation, the Department Director shall review the supervisor's ratings to check for consistency and that the criteria in the evaluation system has been met. Employees evaluated will be given a copy of the evaluation rating. Should an evaluation be downgraded after the employee's initial evaluation by his/her immediate supervisor, the employee will be given a copy of the downgraded evaluation rating. Only a copy of an unsatisfactory rating will be forwarded to the UNION President. Any employee rated below satisfactory by Management will be given an opportunity to improve to a satisfactory level. Failure to improve will result in disciplinary action up to and including termination. This section shall not apply to permanent full-time classified employees serving in a probationary promotional appointment.

18.3 Permanent full-time classified employees serving in a probationary promotional appointment must successfully complete the probationary period within the time frame provided (6 to 12 months), unless the Department Director recommends an extension of said time frame. Any person hired or promoted into an Emergency Dispatcher position in the Police Department or the Fire-Rescue Department shall serve an eighteen (18) month probationary period. Extensions of probationary periods shall be approved by the Director of Human Resources or designee.

**18.4** Unsatisfactory rating of permanent full-time classified employees not serving in a promotional appointment shall cause the employee to appear before the Civil Service Board to show cause why he/she should not be removed, suspended, or reduced in grade. Should an employee covered by this section feel the unsatisfactory rating was incorrect, he may grieve the rating consistent with the Grievance Procedure. However, any grievance concerning the employee's unsatisfactory evaluation will be consolidated with any discipline appeal should the employee be removed, suspended or reduced in grade because of the unsatisfactory evaluation.

## ARTICLE 19

### ANNIVERSARY INCREASE

**19.1** Salary increases recognizing satisfactory service within established pay ranges are provided for in the City's salary schedule. On written approval from the Department Director, employees shall receive a one-step increase in salary, not to exceed the maximum step rate. Those employees receiving approved anniversary increases when submitted during the first seven (7) days of the payroll period, shall receive the higher rate of pay for the full pay period. Those employees receiving approved increases from the eighth (8th) to the fourteenth (14th) day of the payroll period shall receive their anniversary increase effective the start of the following pay period. All anniversary increases shall be subject to review for accuracy by the Department of Human Resources.

**19.2** Leaves of absence without pay or suspension of any duration shall delay anniversary increases by the same number of workdays.

**19.3** Anniversary increases are not automatic. Anniversary increases shall be awarded only on the basis of continued satisfactory service by the employee and on the positive approval of the Department Director. A Department Director may withhold anniversary increases due to excessive absenteeism resulting from tardiness, sick leave usage and/or until such time as, in the Department Director's judgment, the employee's service within the classification meets the standards of satisfactory performance for the position. Employees whose anniversary increases are delayed or denied shall be notified of the reasons for the action being taken.

Employees whose anniversary increases are delayed or denied due solely to tardiness or sick leave usage may request a review of the denial by the Director of Human Resources or designee, whose decision shall be final and binding.

**19.4** Effective October 1, 2017, for purposes of receiving merit increases and adjustments, the anniversary date of “Affected Employees” (as that term is defined in the Settlement Agreement for Case No. 17-001234-CA-01) shall revert back to the Affected Employee’s date of hire into his/her current classification.

**ARTICLE 20**  
**EMPLOYEES ACTING WITHIN THE SCOPE OF AUTHORITY**

**20.1** Whenever a civil or criminal action is brought against a bargaining unit employee, while in the course of his/her City on-duty employment, and while acting within the scope of his/her authority, the City shall have the option to pay legal costs and attorney fees; not to exceed one hundred and twenty five (\$125.00) dollars per hour or provide legal counsel where: a) the bargaining unit employee is found not to be liable or guilty, and b) when the plaintiff requests dismissal of the suit.

**20.2** The City will neither provide legal representation nor pay any claim or judgment entered against any bargaining unit employee if the claim or judgment arises from any of the following:

1. Any unauthorized and/or criminal act;
2. Any intentional tort;
3. Gross negligence or misconduct; or
4. While under the influence of alcohol, drugs or illegal substances.

## ARTICLE 21

### WORKING OUT OF CLASSIFICATION

**21.1** A department director, or designee, may direct an employee to serve in a classification higher than the classification in which an employee currently holds status. Employees assigned to work out of classification shall meet the minimum job requirements for the position being filled.

**21.2** In the event an employee is assigned work of a higher classification as provided for in Section 21.1 of this Article, the employee will be granted a one-step increase or the rate for the first step of the higher classification, whichever is greater, for all time worked out of classification in excess of thirty (30) consecutive calendar days. If the employee is assigned working out of classification in a job basis position, the employee will be granted compensation as provided for in this section, however, the employee is not entitled to overtime. Employees performing work lower than their current classification are not entitled to working out of classification pay.

**21.3 Method of Qualifying Incumbents of Classified Positions Allocated to New or Higher Levels** - Whenever an occupied position has been allocated to a new or higher classification, the incumbent thereof shall be qualified for the new classification in one of the following manners:

- (a) If the incumbent has been performing satisfactorily at the new or higher level for a period of four years or more and has held permanent status in the previous classification, he/she shall receive the new or higher classification with permanent status, without further examination; or

(b) If the incumbent has been performing satisfactorily at the new or higher level for a period of two years or more and less than four years, and has held permanent status in the previous classification, he/she shall be given a qualifying examination, the scope of which shall be at the same level of difficulty as normally given for the same or like classification, and if successful therein, he/she shall receive the new or higher classification with permanent status.

(c) In the event the incumbent does not qualify under (a) or (b) above, he/she shall be returned to his/her previous classification (i.e., the position held prior to working out of class), and the position filled from the appropriate eligible register.

**21.4** During any on-job training program designed to upgrade employees' skills, those employees in such training shall not be eligible for additional compensation as provided in Section 21.2 of this Article.

**21.5** In order to initiate an acting assignment, the employee's immediate supervisor shall, upon assigning an employee to an acting assignment, immediately complete the necessary notification form as provided by the City. Upon notification of an employee placed on acting assignment, the Human Resources Department shall conduct an evaluation to determine the eligibility of the employee assigned to the acting assignment in accordance with this article.

## ARTICLE 22

### REST/LUNCH PERIODS

**22.1** All employees' work schedules shall provide for a fifteen-minute rest period during each four (4) hour work period.

**22.2** Employees who do not take a rest period due to work conditions or by personal choice may not lengthen lunch periods, cover an employee's late arrival or early departure, nor may it be regarded as cumulative if it is not taken.

**22.3** Employee lunch periods are not compensated by the City and therefore may not cover an employee's rest period, late arrival or early departure.

**22.4** The City shall compensate Emergency Dispatchers, Emergency Dispatcher Supervisors, Emergency Dispatch Assistants, Public Service Aides, Crime Scene Investigators I, Crime Scene Investigators II, and Crime Scene Investigator Supervisors for the rest periods and lunch periods provided to them pursuant to this article.

## **ARTICLE 23**

### **LINE OF DUTY INJURIES**

**23.1** Workers' Compensation Medical and Indemnity Benefits. To the extent required by, and subject to the limitations specified in, Chapter 440, Florida Statutes, the City will provide workers' compensation indemnity benefits to any bargaining unit member who sustains a compensable line of duty injury or illness as provided by the Workers' Compensation Law of the State of Florida.

#### **23.2 Supplemental Salary**

**23.2(a)** Any bargaining unit member who is disabled as a result of an accident, injury or illness covered by Chapter 440, Florida Statutes, will be granted supplementary salary, subject to the terms and conditions set forth below. Supplemental salary will be paid in the form of a continuation of the bargaining unit member's regular paycheck as provided by Resolution No. 39802. This check will include those indemnity payments provided for under the Workers' Compensation Law.

**23.2(b)** Full-time Civil Service employees who have permanent status with the City as of September 30, 1981 shall receive supplementary pay which, when added to the workers' compensation benefits shall not exceed 100% of the employee's weekly pay prior to the line of duty injury, accident, or occupational disease for the period of entitlement to full supplementary pay.

All other employees and Civil Service employees hired subsequent to September 30, 1981, shall be eligible for supplementary pay and workers' compensation pay to the extent that the total of such benefits shall not exceed eighty (80) percent of the employee's weekly pay prior to the line

of duty injury, accident, or occupational disease. This benefit shall take effect only after the employee has been disabled for a period in excess of seven (7) calendar days.

**23.2(c)** Unless extended as provided below, supplementary salary will be granted for a period not to exceed 150 consecutive days from the date of covered accident, injury or illness. Such supplementary salary may be extended up to an additional 60 consecutive days upon approval of the City Manager or his designee. The 150 days begin when the bargaining unit member is actually placed on “D”. If the bargaining unit member is removed from “D,” the non “D” time will not apply to the 150 days period.

**23.2(d)** If an employee remains temporarily disabled beyond the period of time in which he is entitled to collect supplementary pay benefits, he/she shall be entitled to 2/3 “D” pay for the additional period of his/her temporary disability pursuant to current practices.

**23.2(e)** If an employee becomes permanently and totally incapacitated from the further performance of the duties of his/her classified position he/she shall petition the retirement board for retirement.

The 2/3 “D” pay as described above shall be carried by the department until the retirement is granted or denied.

**23.2(f)** At any time during his/her absence from duty claimed to be the result of a line of duty injury while an employee is collecting City supplementary pay, the employee shall be required, upon the request of the City Manager, or his/her designee, to submit to a physical examination by a physician designated by the City Manager within fifteen (15) days of the request. If such employee, without cause, as determined by the City Manager, shall fail to

submit to the examination at the time specified, all City supplementary salary benefits will be terminated.

### **23.3 Deductions:**

In the event a bargaining unit member receives supplementary salary as referenced in this Article, the City will make payroll deductions under the following terms and conditions:

Deductions required by law, “mandatory deductions,” including, but not limited to, social security, withholding and Medicare, will be made automatically to the supplemental salary portion only.

All non-mandatory deductions including, but not limited to, a bargaining unit member’s pension contribution<sup>1</sup>, medical, life and other insurance contributions, and all other non-mandatory and voluntary deductions will be made by the City on the bargaining unit member’s behalf only to the extent that sufficient funds are then available. The City will not make any non-mandatory and voluntary deductions if the combined workers’ compensation benefits and supplementary salary are insufficient to cover the amount of the deduction(s). If there are not sufficient funds available, the bargaining unit member will be responsible for making payments for the non-mandatory and voluntary deductions directly to those providers and creditors who would have otherwise been paid through the City’s payroll deduction process.

The parties agree that this process is intended to provide the employee with these paychecks without interruption of payroll and payroll deductions on a bi-weekly basis. Should the employee notify the City by contacting Risk Management that he/she does not want a

combination of Workers' Compensation indemnity pay included with the supplemental wage for the purposes of making regular deductions, the Workers' Compensation check will be distributed separately through the third party administrator and the City will only pay the supplemental wage minus federally mandated deductions. i.e. withholding, social security and Medicare. All other non-mandatory deductions, including pension, medical, life and other insurance contributions and all other non-mandatory and voluntary deductions will not be made and the bargaining unit member will be responsible for making all payments directly to those providers and creditors who would have otherwise been paid through the City's payroll deduction process.

For any reason, should any calculations or deductions made based on the above protocols result in the employee owing money to the City, Risk Management will audit the employee's payroll process immediately upon the discovery of monies owed to determine why such arrearages occurred. The findings will be immediately brought to the attention of the employee and a resolution will be proffered and arrangements will be made to rectify monies owed.

No supplementary pay will be paid to any bargaining unit employee whom is injured or becomes ill while performing an act intended to injure or hurt one's self or another.

**23.4** Any condition or impairment of health suffered by employees in the classification of Identification Technician and Property Specialist caused by Acquired Immunity Deficiency Syndrome (AIDS), Hepatitis, Pulmonary Tuberculosis, or Meningococcal Meningitis shall be presumed to have been accidental and to have been suffered in the line of duty unless the contrary be shown by satisfactory evidence. Employees either currently in the classification or promoted or hired into the classification of Identification Technician and Property

Specialist who refuses to take a medical examination and all of its components relating to the presumptions within this article, shall not be entitled to the presumption outlined in this section and Florida Statutes 112.18.

The presumption in favor of employees referred to in this section shall not apply to any other contagious diseases which may be contracted by employees. Furthermore, the presumption shall only be applicable to worker's compensation and disability pension benefit determinations. Nothing in this section shall be construed as a waiver of the City's rights under applicable state law.

**23.5** Nothing in this Article shall be construed as a waiver of the City's rights under applicable State law.

**23.6** Employees may utilize available leave balances in combination with medical hold provided that they report their intention to use their leave in accordance with the standard reporting protocols in their respective departments.

Bargaining unit members will continue to be eligible for step increases upon a satisfactory evaluation in accordance with Article 19.1 and in accordance with the time delineated in Article 24.4, below.

Before a permanent bargaining unit member is laid off, the employee shall have the opportunity to fill any position held by a temporary employee, provided the bargaining unit member meets the minimum requirements set forth in the job description. In such cases, the temporary employee shall be displaced.

Bargaining unit employees hired on or after October 1, 1998 may be laid off in accordance with Civil Service Rules and Regulations and/or applicable City policies.

**24.2** All changes in salary for reasons of promotion, demotion, or working out of class, shall be effective the first day of the payroll period following the effective date of the change.

Employees hired into a classified Civil Service position shall have their date of hire changed to reflect their commencement as a classified Civil Service position and shall satisfactorily serve a probationary period of one (1) year commencing with the date of entry into a permanently budgeted classification and prior to gaining permanent status in the classified service.

Existing classified Civil Service employees shall satisfactorily serve a probationary period of six (6) months commencing with the date of promotion into a permanently budgeted classified Civil Service position.

**24.3** A night shift differential of \$.60 per hour will be paid to bargaining unit employees for work assigned between the hours of 6:00 p.m. and 8:00 a.m. Night shift differential will only be paid for hours actually worked during the night shift differential period and will not be paid for any overtime hours. ## ARTICLE 25

### PAY SUPPLEMENTS

**25.1** Employees shall receive no additional pay supplements except as are specifically provided by this Agreement. Any pay supplements/tool allowance provided by this Agreement shall not be used in calculating average earnings for pension purposes or included in a bargaining unit member's base rate of pay for purposes of payoff of sick leave or vacation upon separation or retirement from the City.

**25.2** Only those employees holding permanent status within the occupation of Heavy Equipment Mechanic within the City, and Heavy Equipment Mechanic Supervisor in GSA, shall receive a seven and one half percent (7½%) pay supplement added to their base rate of pay should they be continually assigned to on-call rotation. Said pay supplement shall be deemed to fully satisfy any on-call pay obligation which might be construed to exist under the Fair Labor Standards Act.

**25.3** Those employees within the occupation of Emergency Dispatcher who are actively assigned the duty of training new Emergency Dispatchers shall be entitled to receive a five percent (5%) per pay period pay supplement for the actual full pay period they are assigned in a training capacity by their supervisor.

Should the City feel the need to have an audit performed for the purpose of determining whether a separate training occupation is desirable, the City may discontinue this plus item and assign said duties to the person or persons holding said Emergency Dispatcher Trainer classification.

**25.4** All Police Emergency Dispatchers, Emergency Dispatcher Supervisor, Police and Emergency Dispatch Assistants assigned to Police Communications shall receive a five percent (5%) pay supplement if the employee holds and maintains the Quality Assurance Proficiency (QAP) rating in accordance with Police Standards after a period of three (3) months.

**ARTICLE 26**  
**SALARY BASIS/EXEMPT**

**26.1** Those classifications listed in Appendix A with a salary basis/exempt designation are considered salaried employees and exempt from coverage under the Fair Labor Standards Act which precludes eligibility for overtime.

**26.2** Salary basis/exempt employees are expected to work a pay rate equal to eighty (80) hours per pay period plus any additional time over and above the normal eighty (80) hour pay period that is needed to properly perform the duties of the position. Use of vacation and sick leave are to be properly recorded when used. Personal Time Off (PTO) shall be granted consistent with Administrative Policy 1-06. Time worked in excess of the normal eighty (80) hour pay period shall not be compensated nor credited in any way. However, when time is taken off under this provision, it is required that such time taken be recorded as PTO.

**26.3** Requests for time off by salary/exempt employees shall be considered on an individual basis consistent with the needs of the City and the performance record of the employee, and approval shall not be unreasonably withheld.

**26.4** PTO leave shall not be utilized in units of more than one (1) week unless authorized by the City Manager.

## ARTICLE 27

### OVERTIME/COMPENSATORY TIME

**27.1** All authorized hours worked in excess of an eligible employee's normal work week shall be considered overtime work. Non-exempt/hourly employees shall not perform any work prior to their normal work hours, during their lunch hour, or after their normal work hours unless specifically authorized by a management supervisor.

**27.2** Non-exempt/hourly employees performing compensable overtime work shall, at their discretion, be paid time and one-half (1½) at their regular hourly rate of pay or shall be given scheduled compensatory time off at the rate of time and one-half for such work. Compensatory time off shall be taken in not less than fifteen (15) minute increments. This overtime rate shall be all inclusive and no additional overtime pay shall be paid to those employees working a holiday.

**27.3** The maximum accumulation of compensatory time hours is one hundred fifty (150) hours. If an employee takes compensatory time off, the hours in his/her bank shall be appropriately reduced by such time off. If an employee leaves the service of the City and cashes in his/her compensatory leave bank, the hours therein shall be valued on the basis of the employee's regular rate of pay. The rate of pay shall not be less than the higher of the employee's final regular rate of pay or the average regular rate of pay during the last three (3) years of employment.

**27.4** Employees covered by this Agreement who are appointed to job basis/exempt classifications and who have compensatory time banked, shall at time of such appointment be paid for all compensatory time at their rate of pay prior to such appointment.

**27.5** Overtime will be distributed as equally as practical to the best ability of the Supervisor in charge among the employees within a division of the City, who have completed their probationary period (with the exception of Emergency Dispatchers, Emergency Dispatch Assistants, and Emergency Dispatch Supervisors, who shall be eligible for overtime despite being in probationary status), by shift and classifications, according to seniority within the classification. A new overtime list by classification will be posted every two pay periods as a guide for such distribution. The remedy for the failure to offer overtime shall be that the employee shall be offered an equal or comparable amount of overtime at the next opportunity.

**27.6** The overtime list by classification will be made up of all employees in that classification. If an employee refuses overtime, is sick, on vacation or on an excused absence the City will move to the next employee in line on the overtime list. For call-back overtime, if the employee does not answer his/her phone the City will move to the next employee in line on the overtime list. This provision is not to be interpreted as meaning the employee is not subject to call-back while on vacation or excused absence.

**27.7** As each overtime opportunity arises the City will move through the overtime list until it has offered the last employee on the list an overtime opportunity. Thereafter, the City will move to the top of the list and begin with the most senior employee on the overtime list.

**27.8** The provisions of this Article do not restrict the City's right to mandate employees to work overtime. In the event the City must order overtime work within a unit or area of assignment, the most junior employees of the affected classification will be ordered first to work the required overtime.

**27.9** If this method results in obviously inequitable distribution of overtime, the Director of Human Resources or designee and the UNION President will work out a method of correcting such inequity.

### GROUP INSURANCE

#### 28.1 Summary Plan Document

The City and the UNION agree that the Summary Plan Document (SPD) (entitled City of Miami Life and Health Benefits,) shall be immediately updated to reflect descriptions of the current benefit. Plan design and all plan benefits shall be those outlined within the updated version of the employees benefits handbook and shall not be changed without mutual agreement of the City and the UNION. The updated and finalized SPD shall be provided to the City's Plan Administrator (TPA) and the TPA will administer the Plan benefits in accordance with the definitions and other language agreed to and contained in the SPD.

#### Life and Accidental Death and Dismemberment (AD&D)

The City agrees to pay \$8.08 per all eligible bargaining unit member per pay period to the UNION to provide life insurance coverage in the amount of \$40,000.00 and AD&D coverage in the amount of \$80,000. The UNION, has secured a multi-year rate guarantee from the provider, Reliance Standard. The UNION agrees to continue to secure life insurance and accidental death and dismemberment coverage for all the eligible bargaining unit members throughout the term of this contract and agrees to provide policy and rate documentation to the City at the City's request.

#### Medical/Vision:

The City currently offers medical, dental and vision benefit plans through a self-funded plan in which all bargaining unit members, upon obtaining eligibility, may enroll, to wit:

Medical/Vision	Cigna Network
Dual Choice/POS	Cigna Network
Dental	DHMO-Cigna/DPPO-Guardian
EAP	Cigna Health Care

It is agreed between the parties that as of January 1, 2015, the City's medical plan will consist of a four tier program:

- Single coverage
- Single coverage + spouse
- Single Coverage + children
- Single coverage + Family (spouse and children)

It is agreed that medical premium rates for all tiers may be adjusted annually upon the City's calculation of the premium for medical benefits. Premium rates will be calculated by a certified actuary based on the City's eligibility list and experience and the information will be provided to the UNION, in order to validate any increase or decrease in theoretical premium.

As of January 1, 2018, (the beginning of the next Plan year) any increases or decreases in the cost of the City's health plan shall be shared by current active employees on the following basis for all medical plans:

Plan Year 2018: Dual Choice/POS (Cost of coverage shown bi-weekly)

Single	\$40.55
Single + spouse	\$89.21
Single + Children	\$75.01
Family	\$115.56

## Plan Year 2018: Point of Service Plan

### Co-Pays:

Primary Care Physician: \$25.00 per visit

Specialists from within POS Network: \$40.00 per visit

As there are frequent and rapid changes in health care costs, it is understood and agreed between the parties that any changes in contribution amounts will be made based on the annual calculation of theoretical premium. It is agreed that should actual operating claims and administrative costs, and reserve costs increase at a rate higher than the projections used to establish the employee contributions above (projection used is 10% increase in total premium each year), then those employee contributions shall be adjusted to reflect the increase and shall be effective at the beginning of the Health Plan Year. Likewise, should the theoretical premium cost decrease more than the projections used to establish the employee contributions stated above, those employee contributions will be lowered to reflect the overall theoretical premium decrease. In any given plan year, projections used to establish any increase in contributions from the employee shall be capped at 15%.

### Prescription Drug Coverage

The City currently offers a prescription drug benefit plan for those bargaining unit members enrolled in POS plans. It is a self-funded plan administered by Cigna Health Care and consists of the current benefit:

#### Cigna Pharmacy Retail Drug Plan;

\$15 per 30 day supply for generic drugs

\$40 per 30 day supply for preferred brand name drugs

\$60 per 30 day supply for non-preferred brand name drugs

50% of drug cost per 30 day supply for self-administered Injectables  
(e.g. injectables drugs used to treat rheumatoid arthritis, hepatitis C,  
multiple sclerosis, asthma).

Cigna Tel Drug Mail Order Drug Program:

\$0 (no charge) per 90 day supply for generic drugs

\$80 per 90 day supply for preferred brand name drugs

\$120 per 90 day supply for non-preferred brand name drugs

50% of drug cost per 90 day supply for self-administered Injectables  
(e.g. injectables drugs used to treat rheumatoid arthritis, hepatitis C,  
multiple sclerosis, asthma).

Since prescription drug costs are a major component of the health plan and are subject to significant annual cost increases, the City and the UNION agree to evaluate and measure pharmacy benefit total costs and evaluate best practice strategies to manage the pharmacy benefit.

Any changes in the pharmacy benefit shall be mutually agreed to by the City and the UNION.

Dental:

Dental premium rates may be adjusted annually upon the City receiving notice from the dental providers. Employees will be notified of the adjustments in the dental rates during open enrollment. In accordance with current practice, when employees choose to be covered under the City's dental plan, the employee will continue to pay the dental premium.

Employee contributions: In accordance with the City's Cafeteria Plan group health premiums will be paid by the bargaining unit employee with pre-tax dollars.

### Health Committee

It is agreed that a standing committee will be created called the Health Insurance Committee. It shall be made up of six (6) City of Miami Employees, one member appointed by the IAFF, one member appointed by AFSCME, Local 1907, one member appointed by AFSCME, Local 871, two members appointed by the City Manager and one picked by mutual agreement of the Unions and City Manager. Identify proven strategies to more effectively provide prescription benefits, and obtain vendor (PBM) administrative savings to successfully manage this important benefit.

Make recommendations to the City Manager to reduce health expenditures while maintaining a quality health plan at an affordable cost and which improves the health of employees and dependents.

Review employee complaints and remedy situations concerning claims so long as the decision does not change or impact current benefits. This is intended to reduce the need for the grievance procedure; however, the bargaining unit member does not waive his/her right to file a grievance should the committee's remedy is not satisfactory to the employee.

Review and update the Summary Plan Description (currently titled City of Miami Life and Health Benefits).

Any and all other health care and wellness issues identified by the Committee as promoting initiatives to improve the health of employees and dependents while maintaining a quality health plan.

The Committee shall meet monthly or as soon as practicable to commence initiatives outlined above.

#### Insurance Deductions by Payroll

**28.2** The City shall continue to make available to the UNION a payroll deduction slot to purchase local UNION sponsored insurance programs.

Upon receipt of appropriate authorization from employees, the City will make the designated deductions and forward monies to the UNION. The City shall deduct from that remittance an amount for the cost of these deductions. The amount will be calculated at two cents (2¢) for each employee deduction, each payroll period, and ten cents (10¢) for each addition, deletion, or modification to the individual deduction. The UNION shall indemnify and hold the City, its officers, officials, agents and employees harmless against any claim, demand, suit or liability and for all legal costs arising from any action taken or not taken by the City, its officials, agents and employees in executing this activity. **40.1** Tardiness is reporting for work in excess of five (5) minutes beyond the scheduled starting time of the shift (or as provided in Police or Fire Department rules). Approved pre-arranged time off shall not be considered an instance. Unexcused absences resulting in tardiness shall be counted as an "instance." When an employee reports to work within a period that is more than five (5) minutes after his/her scheduled starting time, and provides an excuse that is acceptable in the sole discretion of Management, which shall not be arbitrarily or capriciously applied, the employee may elect to utilize vacation, compensatory time or sick leave. Election of vacation, compensatory time or sick leave for an excused tardiness shall be taken in fifteen (15) minute increments. An annual period shall be defined as a twelve (12) month period beginning with the occurrence of the employee's first tardiness instance.

Management may, in its discretion, allow an employee to utilize vacation, compensatory time or sick leave for a tardiness even if the tardiness is unexcused.

**40.2** Employees shall be disciplined for instances of tardiness in an annual period in accordance with the following schedule:

<u>Number of Tardy Instances</u>	<u>Discipline</u>
3 <sup>rd</sup> instance in annual period	Written warning
6 <sup>th</sup> instance in annual period	Written reprimand
10 <sup>th</sup> instance in annual period	Three (3) day suspension
11 <sup>th</sup> instance in annual period	Fourteen (14) day Suspension
12 <sup>th</sup> instance in annual period	Dismissal

Disciplines issued pursuant to the schedule shall not be considered for purposes of progressive discipline after the annual period expires.

**40.3** Tardiness appeals shall only be appealable through the Grievance Procedure Article as set forth in the Agreement. Exceptions to the above schedules may be granted by the Director of Human Resources or designee, if the individual circumstances warrant such action.

## ARTICLE 41

### FAMILY MEDICAL LEAVE AND LEAVE WITHOUT PAY

41.1 Bargaining unit members may request a leave without pay in accordance with the Family and Medical Leave Act of 1993, as amended. Such leave is provided under the law for birth, adoption or foster care of a child and for a serious health condition of the employee or the employee's spouse, child, parent or grandparent, eligible deployment return from deployment rights or any other FMLA eligible event. Employees taking leave under the Family and Medical Leave Act (FMLA) shall be limited to a ninety (90) day FMLA leave, or twenty-six (26) workweeks FMLA leave for the care of a covered service member, in a 12-month period. An extension of an additional ninety (90) day of leave without pay may be granted upon request to the Director of Human Resources or designee as specified under Section 41.3. Upon approval of such extension, the employee will be required to pay the full premium amount for health insurance coverage.

41.2 Upon approval of the Department Director, with the approval of the City Manager or the Director of Human Resources or designee, a leave without pay may be granted, for the purpose of training or study calculated to improve the quality of the employee's service to the City through course work directly related to the employee's job for up to six (6) months. The request for leave without pay may be extended for an additional six (6) months upon the approval of the Department Director and approval of the City Manager or the Director of Human Resources or designee. Any bargaining unit employee requesting said leave of absence shall be required to submit evidence of registration upon entering each quarter/semester of school.

**41.3** Upon approval of the Department Director, with the approval of the City Manager or the Director of Human Resources or designee, a leave without pay may be granted, for an acceptable reason other than specified herein, for a period not to exceed ninety (90) day calendar days. Approval for said leave of absence without pay is at the sole discretion of the City Manager or Director of Human Resources or designee and shall not be appealable to the Civil Service Board or the grievance procedure.

**41.4** Bargaining unit employees who desire to take a leave without pay for any reason specified in this Article, excluding a serious health condition, must exhaust their vacation and leave banks prior to taking a leave without pay. A request for leave without pay for a serious health condition as provided under the Family and Medical Leave Act shall require the bargaining unit employee to use all sick and vacation banks prior to taking such leave. The usage of such leave time will not prohibit the employee from taking leave without pay as specified herein.

**41.5** Bargaining unit employees who take a leave without pay for any reasons specified in this Article shall not accrue leave time. At the expiration of a leave of absence without pay, the bargaining unit employee shall be returned to the same or similar position vacated when said leave of absence without pay was granted, in accordance with the provisions of the Family and Medical Leave Act. Leave of absence without pay during the required probationary period of service shall extend the probationary period the length of time used during the said leave of absence without pay.

**41.6** The acceptance of another position or engaging in other employment by the bargaining unit employee while on a leave of absence without pay shall be deemed a voluntary resignation from the service of the City of Miami.

## **ARTICLE 42**

### **LABOR/MANAGEMENT PARTNERSHIP COMMITTEES**

**42.1** A Departmental Labor/Management Partnership Committee may be established in each department of the City of Miami. Said Committee membership shall include representatives from classified support staff (M/C), unclassified staff, executives and the AFSCME bargaining unit dues and non-dues paying members.

**42.2** The Departmental Labor/Management Partnership Committee may meet at least once a month, and such meetings shall be scheduled during normal business hours. The purpose of these meetings will be to discuss quality of work-life, productivity, service, communication and objectives of mutual concern, not involving matters which have been or are the subject of collective bargaining between the parties. It is understood that these Departmental Labor/Management Partnership Committee meetings shall not be used to renegotiate the labor agreement between the City and AFSCME. All decisions made by the Departmental Labor/Management Partnership Committee shall be by affirmative consensus.

**42.3** The Departmental Labor/Management Partnership Committee meetings shall be conducted on a semiformal basis with the selection of a chairperson to be determined by the members of the Committee. Length of participation of Committee members shall be determined by the Departmental Labor/Management Partnership Committee. The chairperson shall arrange for minutes to be taken of each meeting and for the distribution of copies to each member of the Committee, the UNION President, and the City's Human Resources Director or designee.

**ARTICLE 43**  
**BEREAVEMENT - DEATH IN FAMILY**

**43.1** Bargaining unit members may, in the case of death in the immediate family, be authorized up to a maximum of forty (40) hours of paid leave to attend to funeral or estate related functions of a member of the employee's immediate family, or is at home in a state of bereavement. Said paid leave days shall be taken consecutively by the employee excluding normal days off and holidays. For purposes of this Article, the "immediate family" is defined as father, mother, sister, brother, husband, wife, domestic partner, children, father-in-law, mother-in-law, grandparents, spouse's/domestic partner's parents, grandparents, grandchildren, stepchildren, stepfather and/or stepmother and may include any other person who was or has been an actual member of the employee's household for ten (10) or more years. Within thirty (30) calendar days from the date the employee returns from a death in the family, the employee will file a copy of the death certificate of the deceased family member. Said death certificate will be attached to the form provided by the City and submitted to the Human Resources Department. Failure to produce the death certificate will result in the employee reimbursing the City for any days taken under this Article. Any employee found to have falsified his/her application for death in the family ("K" day) will be dismissed.

**43.2** It is understood that under certain circumstances the employee will be unable to obtain a death certificate. In this event, in lieu of a death certificate, the employee shall submit any other documentation that reflects the death and family relation as deemed appropriate by the Department of Human Resources or designee.

**43.3** Bereavement leave is for attending a funeral or to attend to estate issues or in a state of bereavement and must be taken within 45 days of the death of the family member. The Director of the Department of Human Resources or designee, at his/her sole discretion, can make exceptions to the 45 day limit under truly unique circumstance, but the decision is final and cannot be appealed through the grievance procedure or any other forum.

## **ARTICLE 44**

### **MILITARY LEAVE**

**44.1** The City shall abide by the current provisions of the Florida Statutes, Sections 115 and 250 as they relate to all bargaining unit employees who are either reserve officers or enlisted personnel in the Florida Defense Force, the National Guard, Naval Militia, Marine Corps, U.S. Army Reserve, U.S. Naval Reserve, U.S. Marine Corps Reserve, U.S. Coast Guard Reserve, U.S. Air Force Reserve or officers or enlisted personnel in any other class of the militia entitling the employee to leave of absence from their respective duties without loss of pay, time, efficiency rating or Civil Service seniority credits on all days during which they shall be engaged in field or Coast Guard defense exercises or other training ordered under the provisions of the U.S. Military or Naval Training regulations or under the provisions of the Florida Defense Force or the National Guard; provided that leaves of absence granted as a matter of legal right under the provisions of this section shall not exceed seventeen (17) days in any one calendar year unless other local, state or Federal laws which may be applicable grant additional time.

**44.2** Requests for military leave shall be made to the Department of Human Resources designee as early as possible but at least two (2) weeks prior to the date such leave commences with proper orders attached.

**44.3** Employees who take the military leave provided in this section shall be credited with that time on their seniority status, in the City of Miami Civil Service Records-Department of Human Resources.

**ARTICLE 45**

**HOLIDAYS**

**45.1** The following days shall be considered holidays:

New Year's Day	Columbus Day
Presidents' Day	Veterans' Day
Memorial Day	Thanksgiving Day
Independence Day	Day after Thanksgiving
Labor Day	Christmas Day
Dr. Martin Luther King's Birthday	Juneteenth

**45.2** Any additional holidays declared by official directive of the City Manager shall be added to the above list.

**45.3** Hourly/Non-Exempt employees performing work on any of the above holidays shall be paid eight (8) hours holiday pay (or the number of hours equal to the employee's regularly scheduled daily work shift, whichever is greater) plus actual hours worked at time and one-half of their straight time hourly rate, or shall be given scheduled compensatory time off at the rate of time and one-half for the hours actually worked on the holiday. Non-hourly/Exempt employees performing work on any of the above holidays shall, in addition to receiving their regular salaries, have their schedules temporarily adjusted during the same week, resulting in the employees having another day off in lieu of the City recognized holiday.

**45.4** All conditions and qualifications outlined in Article 27, titled "Overtime/Compensatory Time", shall apply to this Article. Hours of compensatory time accumulated under this Article, when added to the compensatory time earned under the Article entitled "Overtime/Compensatory Time", shall not exceed one hundred fifty (150) hours.

**45.5** To be eligible for holiday pay, an employee must work a full shift or be in a paid leave status on the scheduled workdays which immediately precede and follow the holiday. If an employee works at least seven (7) hours of his/her regular shift, the employee will either be charged one (1) hour from either his/her compensatory time or vacation leave bank, or carried in without pay status at the sole discretion of the supervisor. An employee who works at least seven (7) hours as described in this section shall be eligible for holiday pay.

**45.6** In the event that the holiday falls on an employee's regularly scheduled day off (not requested day off), the following will occur. For hourly/non-exempt employees, the City will award compensatory time equivalent to that employee's regularly scheduled daily work shift, which may be utilized in accordance with Article 27. For non-hourly/exempt employees whose scheduled day(s) off corresponds with a City-recognized holiday, the City will temporarily adjust the employee's schedule during the same week, resulting in the employee having another day off in addition to the City recognized holiday.

**ARTICLE 46**  
**PROMOTIONS**

**46.1** Qualified applicants for promotion to any bargaining unit position shall be selected for interview in the following order, unless otherwise prohibited: 1) A minimum of seven (7) bargaining unit applicants employed in the same Department in which the vacancy exists (so long as at least seven (7) bargaining unit members within that Department apply), and 2) Other applicants.

For purposes of clarity, if the City interviews more than seven (7) applicants for an open bargaining unit position for whatever reason, the City may interview bargaining unit and/or non-bargaining unit applicants outside of the Department and/or outside of the City once they have complied with subsection 1, above.

**ARTICLE 47**

**RESIDENCY**

**47.1** It is agreed by the parties that while residency is not a condition of employment a candidate that is otherwise equally qualified will be given, at time of hire, preference for employment in order of domicile as follows: (1) City of Miami resident, (2) Miami-Dade County resident, (3) resident outside of Miami-Dade County.

**ARTICLE 48**  
**TOTAL AGREEMENT**

**48.1** This Agreement, upon ratification, constitutes the complete and entire agreement between the parties, and concludes collective bargaining for its term.

**48.2** The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

**48.3** The parties agree that this Collective Bargaining Agreement represents the total agreement for terms and conditions of employment during the life of this contract and no request shall be made to increase wage or other employee benefits through the Civil Service Board, City Manager or the City Commission during the life of this Collective Bargaining Contract.

**ARTICLE 49**  
**SAVINGS CLAUSE**

**49.1** In the event any article, section or portion of this Agreement should be held invalid and unenforceable by any court of competent jurisdiction, such decision shall apply only to the specific article, section or portion thereof specified in the Court's decision, and that portion of this Agreement in conflict shall be null and void but the remainder of the Agreement shall remain in full force and effect, with it being presumed that the intent of the parties was to enter into the Agreement without such invalid portion or portions.

**49.2** The City's representatives as defined in Article 2 and the UNION's representatives as defined in Article 3 shall promptly meet to negotiate a substitute for the invalidated article, section or portion thereof as might be determined in accordance with Section 49.1 of this Article.

**49.3** Notwithstanding any other provisions of this Agreement, the employer may take all actions necessary to comply with the Americans with Disabilities Act.

## **ARTICLE 50**

### **SENIORITY**

**50.1** For purposes of this article, seniority shall be defined as the most recent date of hire into a classification within the bargaining unit with the City unless otherwise agreed upon by the UNION President and the Director of Human Resources or designee.

**50.2** Seniority shall only be applied in the assignment of days off in units with two (2) or more shifts. Seniority shall not be a prevailing factor for assignment or promotion to a unit, section or division within a department.

**50.3** Exceptions to the use of seniority as specified in 50.2 may occur in an emergency situation, when physician ordered, for training purposes, when language skills are needed, compliance with the Americans with Disabilities Act, when special knowledge or skills are needed as mutually agreed upon by the City and the UNION, or when mutually agreed by the affected employees and management through the labor/management process.

**50.4** Once every October, shift assignments and days off will be re-bid by seniority.

**ARTICLE 51**

**LEAVE BALANCE PAYOFFS**

**51.1** Employees electing to retire and upon separation will receive payment of leave balances upon retirement as currently specified under this agreement.

**ARTICLE 52**  
**PENSION**

**52.1** The parties agree that for the term of this agreement the pension benefits and employee contributions of employees covered by this agreement shall be as provided in the City of Miami General Employees' and Sanitation Employees' Retirement Trust Section 40-241 through 40-290, Miami City Code ("GESE"), as amended except as follows:

**52.2** The parties agree that effective October 1, 2011, the GESE amortization periods will be revised to add 5 years to the existing amortization periods and change periods for future amortizations as follows:

- A. Plan benefit changes for active employees over 20 years (currently 15).
- B. Plan benefit changes for retired employees over 15 years (no change).
- C. Assumption changes over 20 years (currently 15).
- D. Experience Gains and Losses over 20 years (currently 15).

**52.3** Effective upon ratification, member retirement allowance shall not exceed the lesser of 100% of the member's average final compensation or an annual allowance of \$120,000 as of retirement or DROP entry based on the normal form of benefit in effect on the date of retirement for members eligible to retire as of October 1, 2012; and effective October 1, 2022, member retirement allowance shall not exceed the lesser of 100% of the member's average final compensation or \$100,000 as of retirement or DROP entry based on the normal form of benefit in effect on the date of retirement for members who were not eligible to retire as of October 1,

2012; provided that any employee who has an accrued benefit in excess of these annual allowance caps shall retain that benefit.

**52.4 BACKDROP option.** A backdrop benefit option shall be implemented on January 1, 2013. The Backdrop option shall replace the existing DROP program. Employees who have not attained normal retirement eligibility as of the effective date or were not vested by October 1, 2010, and all employees hired on or after that date, will be eligible for the Backdrop option, but will not be eligible for the DROP. Anyone eligible for the forward DROP as of January 1, 2013, remains eligible for the forward DROP as it presently exists and anyone eligible for the forward DROP as of January 1, 2013 or vested prior to October 1, 2010, who chooses not to enter the forward DROP remains eligible for the Backdrop.

(a) An eligible employee who elects the Backdrop option shall receive a monthly benefit payable on the employee's actual retirement date (date of retirement and separation from City employment) based on the benefit the employee would have received if he/she had left City employment and retired on an earlier date after attaining normal retirement eligibility (the Backdrop date"). In addition, an eligible employee who elects the Backdrop option will receive a lump sum payment equal to the accumulation of monthly retirement benefit payments he/she would have received during the period following the Backdrop date through the actual retirement date (Backdrop period"), plus interest at the rate of 3% per year, compounded annually. An eligible employee may elect a minimum Backdrop period of 1 year and maximum Backdrop period of up to seven years. An eligible employee who elects the Backdrop option must select the normal form of benefit or an optional form of benefit at the time of electing the

Backdrop option. The employee's monthly benefit as well as the lump sum payment under the Backdrop option is based on the form of benefit selected.

(b) Employees are eligible to elect the Backdrop option after completing one year of creditable service following the normal retirement date. A Backdrop election must be made within 10 years after becoming eligible for normal retirement. The maximum Backdrop period is 7 years. Eligible employees who wish to elect the Backdrop option must provide written notification to the City at least 8 months prior to the employee's retirement date; provided a lesser notice period may be approved by the City Manager due to special circumstances. Bargaining unit members will be eligible to revoke their Backdrop election one time, but within 1 month of their election. However, if a bargaining unit employee is granted a lesser notice period by the City Manager due to special circumstances, the employee will not be eligible for the one-time Backdrop election revocation. Employees are not required to elect the Backdrop option.

(c) All or a portion of the lump sum payment under the Backdrop option may be rolled over to an eligible retirement plan or IRA in accordance with federal law.

**52.5** The employee pension contribution shall be 10%.

If the back DROP is ever terminated, for any reason, the rights of all persons then in the DROP shall not be diminished or impaired. Additionally, if the back DROP is ever terminated, all persons who are then eligible for a back DROP will still be eligible for a 7 year back DROP. The Board of Trustees of GESE shall develop operational rules for the implementation of this provision.

**52.6** The service retirement benefit for employees hired prior to October 1, 2010 shall be equal to three percent (3%) of the member's highest one year of compensation multiplied by

the number of years of creditable service. The service retirement benefit shall be based on a member's total creditable service and the benefit multiplier set forth in this provision (not the benefit multiplier in effect at the time the service is earned), multiplied by average final compensation in effect at the time of retirement or separation from employment.

**52.7** Upon retirement, bargaining unit members shall receive a retroactive salary increase of five percent (5%) for the bargaining unit member's highest one (1) year's salary. The five percent (5%) salary increase shall be reflected in the hourly pay rate for the purpose of calculating leave balance payoffs. The five percent (5%) salary increase shall not be applicable to overtime.

**52.8** For employees hired prior to October 1, 2010, effective September 30, 2020, a member who separates from employment with ten or more years of service shall be considered eligible for a service retirement upon attaining the earliest of the following: (a) age 55 with ten years of creditable service, or (b) the completion of a combination of years of creditable service plus attained age equaling 70 points.

**ARTICLE 53**  
**TERM OF AGREEMENT**

**53.1** After a majority vote of those bargaining unit employees voting on the question of ratification and thereafter upon its ratification by an official resolution of the City Commission ratifying the Agreement and authorizing the City Manager to sign the Agreement on behalf of the City, then, the Agreement, upon being signed by the appropriate UNION representatives and the City Manager, shall become effective October 1, 2020 or as set out below, whichever date is later. The Agreement shall continue in force and effect until 11:59 p.m., September 30, 2023.

**53.2** On or before February 1, 2023, the UNION shall notify the City in writing of its intention to renegotiate the Agreement in force, and attached thereto shall include a list of proposals which shall inform the City of the items which they desire to negotiate, together with specific language embodying and describing their proposals. The changes indicated in the proposals shall be designated with a strike through of deleted language and new language will be underlined.

**53.3** On or before March 1, 2023, the City shall present the UNION with a list of proposals it desires to negotiate. The changes indicated in the proposals shall be designated with a strike through of deleted language and new language will be underlined.

**53.4** Initial discussions shall thereafter, and no later than April 1, 2023, be entered into by the City and the UNION.

Agreed to this \_\_\_\_ day of \_\_\_\_\_, 2021, by and between the respective parties through an authorized representative or representatives of the UNION and by the City Manager.
